

Consulting SOW

A focused statement of work for deliverables, milestones, fees, and acceptance.

SOW EFFECTIVE DATE	CLIENT LEGAL NAME
CONSULTANT LEGAL NAME	PROJECT NAME
PROJECT FEE OR RATE	TARGET COMPLETION DATE

Objective	The consultant will help the client achieve the project objective described above under the parties' governing services agreement, if any.
Deliverables	Deliverables, formats, owners, and milestone dates will be recorded in the project workspace or a written schedule approved by both parties.
Assumptions	The client will provide timely access to people, systems, brand materials, content, and decisions needed for the work. Dependencies and exclusions should be documented before work begins.
Review and acceptance	The client will review each deliverable promptly and provide specific feedback. A deliverable is accepted when approved in writing or used in production, unless different criteria are written here.
Fees and invoicing	Fees follow the rate or project price entered above. Approved out-of-scope work requires a written change and may affect timing and cost.
Changes	Either party may request a change. No requested change is binding until both parties agree in writing on scope, timing, and price effects.
Order of precedence	If this statement of work conflicts with a governing services agreement, that agreement controls unless this statement expressly identifies and overrides the conflicting term.
